### “Friendship and Solidarity”

FIAP World Cup for  
Projected Images

Organised by FIAP

In conjunction with the Federazione Italiana Associazioni  
Fotografiche (FIAF) and “Il Gruppo Fotografico Il Cupolone - CAFIAP”

#### Introduction

“The 6th January 1839 M. François Arago presented at the Academy of Science in Paris a report announcing the discovery of “photography” by Daguerre. Hundred sixty-five years have passed since that far back 6th January, and photography has had a development Daguerre could not even imagine.

FIAP “Federation International de l'Art Photographique” wishes to remember and to celebrate this great anniversary with a project called “Friendship and Solidarity”.

The wish of the FIAP Directory Board in presenting the project “Friendship and Solidarity” is to realise an event that upholds the fundamental principles of the International Federation: “to develop and to promote the Photographic Art in an atmosphere of friendship and fraternity among all people of the world, without any political, ideological, racial and religious discrimination”, through a solidarity project.

FIAP and the photographic world joint in a project of solidarity, that once again underlines the big heart of photographers.

The project schedules the organization of an international competition under FIAP Patronage, with the collaboration of the Federazione Italiana Associazioni Fotografiche (FIAF), the Circolo Fotografico Arno ILFIAP and “Il Gruppo Fotografico Il Cupolone” CAFIAP, open to all photographers of the world, with free theme and with theme “Friendship and Solidarity” and a **FIAP World Cup FIAP for PI, with theme “Friendship and Solidarity” reserved to the FIAP Federation**. The entire proceeds will be donated to the NPO “Un Raggio di Luce”, for the realisation of a polyvalent medical-formative center for women and children in Burkina Faso.

I address you, Presidents of Federations and friends photographers, help us, with your participation and your support, in transforming our dream in a wonderful reality.

Thank you for all you will do!

*Riccardo Busi*
